Just an FYI...an individual went to DSW on Thursday and received an EIC. Everything was entered into sharepoint but the documentation was questionable due to the presence of two separate last names. The concern Lisa Daughtry has is with the match of last names with the EIC and Voter Registration card. She is not 100% sure they match.

Spoke with Lisa and got everything straight. We couldn't put the record in her married name because she didn't provide her marriage license. However Lisa will make contact with the customer.
